

POLAR LATITUDES

BY THE NUMBERS

**Not just another company. Not just another experience.
And the numbers prove it.**

97%

Of past travelers rate us as **excellent** and would recommend us to a friend.

13 YEARS

Average experience for members of our Expedition Team - **more than twice the industry average.**

A CENTURY

Of collective Polar experience from our **four owner/operators**. With active roles in the company, they remain personally invested in our passengers' experience.

A DECADE +

Years operating in Antarctica. Our experience with the unpredictable nature of this wild place has us prepared for every situation. We're **not the new kids on the block!**

70%

Success rate executing 'Plan B' when those unpredictable conditions try to foil our plans. We are always ready to pivot, so **passengers don't miss a thing!**

6 HOURS

Average time spent off the ship and exploring Antarctica on excursion days. We average **2 daily excursions of around 3 hours each**, which is the longest excursion average in the industry.

2 NIGHTS

Hotel stay before embarkation. We are the only company to provide passengers a buffer day in case of travel delays, which happen often in this part of the world. **Board the ship relaxed and ready to explore!**

#1 IN SCIENCE

Industry leader in advancing Citizen Science as an activity on every voyage. First to partner with the Polar Science Collective, which ensures the scientific rigor of research projects.

SUPER 1-A

Ice class of the MS Seaventure, the first purpose-built ship for Polar travel. This **highest-available ice class for a passenger ship** allows us to access areas that most other ships cannot visit.

138

Maximum passenger capacity. A small ship has opportunities to go places larger ships can't, offering a more **intimate and personalized journey** that's uniquely yours.

24/7

Access to real-time inventory for registered agents, right down to **specific cabins, berths, and shares**. Plus, a dedicated sales team that reliably answers the phone during business hours.

70

Available kayaking spots across 2 different programs. Kayak once to try it out or as often as possible to maximize the experience.

50

Available camping spots on voyages offering camping. Camping is open-air in bivy sacks for a fully immersive experience.
